## **Notice: Fire Hydrant Flush**

WMFN Operations & Maintenance will be conducting a Fire Hydrant Flush ***July***

***28,2021.*** WMFN houses may have discolored water from taps and lose water

pressure during this process. Water pressure will return to normal once finished.

For the discoloration just run the water until clear.

Mussi,

Gil Davis

WMFN Housing & Capital Projects Manager

(250) 788-3663
