

BEST INTEREST OF THE WMFN CHILD

Survey

Gathering community input to inform the development of BIOC

What is your favourite family tradition or activity?

What are important pieces of creating healthy and safe environments?

How do you feel connected to WMFN, the people and the place?

Please turn over for more!

BEST INTEREST OF THE WMFN CHILD

Survey

Gathering community input to inform the development of BIOC

How could the WMFN, cultural practices, and community members support one another in decision making and conflict resolution?

How can families, caregivers, and WMFN ensure the voices of children are heard and respected?

What's been working that can be incorporated, expanded, or better supported?
