

EmPOWER your trades training

Chetwynd Campus

Are you thinking about entering a trade but need some help to get started?

Northern Lights College (Chetwynd) is happy to offer the program "People Obtaining Workplace Employment Readiness". This POWER program prepares you for training and employment in the trades, and it is **TUITION-FREE!***

The POWER program includes courses and jobsite visits to provide a sneak peek at a few of the most in-demand trades in our region.

This program may be most useful for youth and young adults from under-represented groups, but all are welcome and encouraged to apply.

For more information, please contact Leo Manning, Dean of Trades and Apprenticeships, at 250-784-7560 or trades@nlc.bc.ca.
