Housing Department Tenant Relations Officer Intern Job Posting

Tansi,

The Tenant Relations Officer Intern (Trainee) is a Canadian Mortgage and Housing Corporation (CMHC) funded position under their Housing Internship Initiative for Youth (HIYY) Program; where the incumbent Trainee must be of First Nations or Inuit Youth, aged between 15 and 30 years old at the beginning of the Program. Although for this position due to some of the work scheduling, licensing, and training requirements, the preferred candidate will be 19 years old or older, and not a full-time student.

The Trainee does not have to live in a First Nations or Inuit community. However, they cannot be employed somewhere else during the internship or receive Employment Insurance while in the Program. If the Trainee is already receiving EI benefits, they must discontinue them before starting the internship. The Program will last for less than one year (maximum of 50 weeks), with potential for extension for up to an additional year (based on approved annual applications). The goal is for the Trainee to evolve into a permanent, full-time position as a Tenant Relations Officer for WMFN at the end of the Internship.

A full and more informative Job Posting will be found on the WMFN website.

Please submit your resume to: jobs@westmo.org no later than October 17, 2022
