The winning tender will be awarded the 2022-23 Winter Season Community Snow Removal Contract for:

Snow removal of:

- 51 residential driveways; and
- 8 commercial building parking lots.

The successful contractor shall be available as needed during any snowfall event whenever there is an accumulation of 3” of snow or more during this winter season; and ensure that commercial building parking lots are cleaned prior to 8:00 AM local time for every business day (Mon -Thurs 8:00AM-4:30PM and alternate Fridays 8:00AM-2:30PM) and ensure that **only** driveways are cleared at residential addresses.

WMFN shall provide the regular road sanding within the WMFN Community during normal business hours. WMFN shall provide winter sand at the sand bunk for the Contractor to access should the driveways require sanding during snow removal and sanding operations.

The WMFN Ranch is responsible for grading the main road (West Moberly Rd.) and access roads (Heritage Rd., Cryingman Rd., Brown Rd., Miksu Rd. and Water Treatment Plant Rd.). The Ranch’s grader operator will communicate with the contractor as to when they are grading so that the contractor can coordinate their activities to ensure that the driveways are not plowed in, and the residents have safe and easy access to the roads.

Tenders will be opened and reviewed by the Bid Review Committee at 1:00 October 24,2022. The contract will be signed upon approval of recommendation of the Bid Review Committee by Chief & Council after their regularly scheduled meeting of Oct. 25, 2022.
