

## Community Input Needed:

# WHERE WOULD YOU LIKE TO SEE WMFN CHOOSE LANDS AND WHY?

- WMFN phase 1 land selections chosen WMFN still has approximately 5000 acres of land to choose for TLE
- Land can be chosen for Cultural use, Residential (future housing), Industrial, Commercial, Urban Reserves, Protection
- Chosen land selections should be beneficial to ***all community members***
- Family camping spots? Hunting areas? Gathering areas? Water sources you want protected?
- Commercial or industrial sites that would be ideal for WMFN businesses?
- Urban sites that would be perfect for businesses or residential sites
- Areas you don't want to lose access to?
- Maps of all Treaty 8 TLE land selections can be found on the website [govtogetherbc.ca](http://govtogetherbc.ca)
- WMFN C&C are looking for suggestion sites to put up for ***consideration, discussion if they are available***
- Community meetings are being organized and scheduled where suggested sites will be presented
- Suggestions will assist in narrowing down the maps that are created and brought to the meetings
- If you have specific sites and/or GPS points we would like to hear from you
- Even if you have general suggestions we want to hear from you, if you have (ex – water sources, around Moberly Lake, In Fort St John, ect)
- If you have NO SUGGESTIONS and are fine with any lands chosen, let us know that also
- Send suggestions, forms (add additional pages if needed), and/or questions to [tlead@westmo.org](mailto:tlead@westmo.org)
