## INTRODUCTION

This Policy is set by Council and guided by WMFN's customary values, traditions, and cultures.

WMFN works diligently towards achieving the housing objectives of:

- Providing WMFN Members access to quality housing on WMFN Lands that is appropriate to their needs;
- Fostering pride and personal responsibility among WMFN Members for our housing and for our community;
- Establishing and operating an economically sustainable housing program on WMFN Lands.

To advance these objectives, WMFN, operating in accordance with prudent business practices and remaining fiscally responsible, will:

- Respond to WMFN Members' housing requests and needs on WMFN Lands in an equitable and consistent manner
- Continuously strive to protect and improve the housing inventory, programs and services on WMFN Lands
- Inform WMFN Members of WMFN housing initiatives
- Administer the housing policies in a fair, transparent, and accountable manner and, in so administering the housing policies, to honour the customary traditions and practices of West Moberly First Nations, while maintaining alignment with all respective regulatory and funding agreement requirements.
- Comply with any applicable Court orders or decisions (e.g. Emergency occupancy Orders or Emergency Protection Orders).

The Nation Secured Mortgage program provides WMFN Members with a Ministerial Loan Guarantee (MLG) to facilitate their own mortgage with a financial institution to build or purchase a house on WMFN Lands. The ownership of a Residential Unit does not grant ownership or possession of the Lot itself; the Lot remains part of WMFN Lands.

WMFN Lands are set aside for the use and benefit of WMFN, as set out in the Indian Act. The Indian Act (Section 89(1)) protects Indian property from seizure by a non-Indian and effectively prevents the use of land or property on reserve as security for a traditional mortgage with a financial institution. As such, financial institutions will not provide a mortgage for housing on reserve without a Ministerial Loan Guarantee. WMFN must apply for and obtain this MLG for the respective Residential Unit's financing as a prerequisite for an external lender providing a mortgage to a WMFN Member for a Residential Unit on WMFN Lands.

In this program, WMFN applies for a Ministerial Loan Guarantee on behalf of the WMFN Member. In the event of a foreclosure, the Federal Government pays out the loan and fees to the financial institution and then the Federal Government recovers this amount from WMFN. WMFN is ultimately responsible for repayment of any unpaid mortgage and fees. In the event of foreclosure and subsequent exercising of the MLG, WMFN will repossess the Residential Unit from the WMFN Member. Repossessed Residential Units will become part of the Nation Owned Rental Program.

WMFN Members that access the Nation Secured Mortgage program negotiate a mortgage directly with the financial institution subject to WMFN providing an MLG. Mortgage Payments are paid directly by the WMFN Member to the financial institution and mortgage terms are as per the mortgage agreement with the institution. The Member is responsible to the financial institution for meeting the terms of their mortgage agreement.

A current, valid MLG Agreement and Homeowner Agreement must also be in place between the Member and WMFN for their Nation Secured Mortgage program Residential Unit. The Homeowner Agreement outlines the responsibilities of WMFN and the Homeowner with respect to the various components outlined in this Policy (e.g. power, water, sewer, insurance, maintenance, etc.). The MLG Agreement outlines what happens if the MLG is invoked by the Federal Government.

- 4.2 Applicants shall complete the application for Lot allocation and application for Ministerial Loan Guarantee form in writing and submit to WMFN with all

required and requested supporting documents (including budget analysis and verification of household income).

- 4.3 WMFN shall review applications for completeness and to determine eligibility. WMFN may request additional information and documentation, as needed.
- 4.4 Incomplete applications (such as those that lack all required supporting documents) and ineligible applicants (such as those who are not in Good Financial Standing) will not be considered. WMFN will contact the applicant to arrange an appointment to review the application.
- 4.5 Complete applications from eligible applicants will be added to the Housing Wait List, except that:
  - a) If there is a history of poor tenancy with WMFN, WMFN will schedule a meeting with the applicant to review and discuss before the application is added to the Housing Wait List, to confirm the applicant's ability to effectively manage the responsibilities of the program. Additional terms and conditions may apply if the individual is subsequently allocated a Lot or Residential Unit.
- 4.6 The application being made to WMFN in this program is to confirm allocation of Lot and whether WMFN will provide a Ministerial Loan Guarantee (MLG). The applicant must apply directly to a financial institution regarding Mortgage qualification.
- 4.7 All applications will be kept on file for one year. WMFN Members are required to renew their application annually after January 1<sup>st</sup> to keep applications current.

## **5 MINISTERIAL LOAN GUARANTEE**

- 5.1 A WMFN Member interested in purchasing a Residential Unit on WMFN Lands through this program must apply and receive approval from WMFN to secure their Mortgage.
- 5.2 When an applicant is confirmed as eligible including pre-qualification for a Mortgage with a financial institution, the Housing Department shall present the Application for Ministerial Loan Guarantee to Council and request Council approval for a Ministerial Loan Guarantee in an amount equal to: the financial institution pre-qualification or the maximum WMFN eligible amount (see Section 5.3), whichever is less. Council shall issue a BCR to confirm approval of the MLG and apply for the MLG in the name of the WMFN Member.

- 5.3 Subject to an alternate Council determination per 4.4, an MLG will be approved to a maximum of \$750,000. Funds in excess of this amount will be the responsibility of the applicant.
- 5.4 Approvals are subject to limits determined by Council annually. To maintain financial integrity and sustainability for the Nation, WMFN will identify a maximum financial risk associated with all MLGs for this program. Financial risk means that if numerous MLGs were exercised simultaneously, WMFN must ensure that funds are available to address the associated liability without causing financial hardship to the Nation and negative impacts on member service levels; and further that the total amount of outstanding MLGs does not negatively impact future borrowing capacity for the Nation.
- 5.5 If Council approves the application, the Housing Department shall prepare a Letter of Verification for the applicant to present to the financial institution. The letter will include:
  - a) The applicant's membership in WMFN
  - b) WMFN's commitment to a MLG
  - c) The amount of the MLG
- 5.6 On receipt of WMFN 's MLG approval, the applicant is responsible for contacting the financial institution to finalize the Mortgage Agreement.
- 5.7 As the Mortgage Agreement is between the WMFN Member and the financial institution, all payments shall be remitted directly to the financial institution according to the terms of the Mortgage Agreement between the parties.

## **6 ALLOCATION OF RESIDENTIAL UNITS**

- 6.1 Development of new Residential Units and/or Lots is subject to funding availability and at the discretion of Council, taking into account WMFN's customary values, traditions, and cultures.
- 6.2 When a Residential Unit or Lot becomes available, WMFN will confirm the size of the Residential Unit, and then review the Housing Wait List, alongside the eligibility and allocation criteria in this Section.
- 6.3 When allocating Residential Units to applicants, WMFN shall consider the size of the Residential Unit, applicant household size and composition, applicable occupancy standards, any eligibility requirements specific to the Residential Unit, and the following order of priorities:

  - b) elders who have not previously accessed WMFN housing programs

- c) disabled persons who have not previously accessed WMFN housing programs
  - d) elders, disabled persons who have previously accessed WMFN housing programs and require a different Residential Unit due to mobility, access, or safety

  - j) WMFN Members who own (with or without a Mortgage) another Residential Unit on or off reserve.
- 6.4 Applicants who have the same priority level will qualify based on the order in which their application was added to the Housing Wait List.

## **7 SPOUSAL BREAKDOWN OR DEATH OF A HOMEOWNER**

### Spousal Breakdown

- 7.1 In keeping with WMFN's customary values, traditions, and cultures, where a Homeowner resides in a Residential Unit with their Spouse, and the Spouses separate before discharging the Mortgage Agreement and Ministerial Loan Guarantee, the Homeowner remains responsible for:
- a) making payments and fulfilling responsibilities defined in the existing agreements with both the Lender and with WMFN; and
  - b) working with the Lender to effect any change, following the separation of the Spouses, to the existing arrangement by transfer agreements, or otherwise as agreed, with notice to WMFN, noting that only WMFN Members may enter into agreements within this program.
- 7.2 Subject to any Lender restrictions, the former Spouses may choose who shall reside in the Residential Unit. This includes the option whereby the Homeowner rents out the Residential Unit to their former Spouse who is a non-WMFN Member, provided that the Homeowner manages the tenancy.
- 7.3 Notice in writing must be given to WMFN regarding any changes in occupancy following separation.

- 7.4 If the Mortgage Agreement and Ministerial Loan Guarantee are transferred or otherwise disposed of to another WMFN Member, the MLG Agreement and Homeowners Agreement between the Homeowner and WMFN must also be transferred, or the new Homeowner must enter into new agreements with WMFN.
- 7.5 The provisional federal rules set out in the *Family Homes on Reserves and Matrimonial Interests or Rights Act* apply to this program to the extent they are relevant to a Residential Unit being occupied as the “family home”. This program creates a customary “interest or right” to the Residential Unit (as that term is defined in the *Family Homes on Reserves and Matrimonial Interests or Rights Act*), which results in a Certificate of Custom Holding, only where the requirements and procedure are completed by a WMFN Member.
- 7.6 If the Homeowner terminates or abandons the Mortgage Agreement and Ministerial Loan Guarantee, the Residential Unit reverts back to WMFN and will be used thereafter as a Nation Owned Rental (see 17.9). In allocating the Residential Unit as a rental, Council may take into account the best interests of any Dependent WMFN Children who currently reside in the Residential Unit and WMFN’s customary values, traditions, and cultures.

#### Death of a Homeowner

- 7.7 Homeowners are encouraged to make a will that addresses, among other things, their Residential unit.
- 7.8 This program creates a customary “interest or right” to the Residential Unit, which results in a Certificate of Custom Holding, only where the requirements and procedure are completed by a WMFN Member.
- 7.9 Where a Homeowner resides in a Residential Unit, and the Homeowner dies before discharging the Mortgage Agreement and Ministerial Loan Guarantee, the Homeowner’s estate is responsible for:
- a) making payments and fulfilling responsibilities defined in the existing agreements with both the Lender and with WMFN; and
  - b) working with the Lender to effect any change to the existing arrangement by transfer or otherwise as agreed or directed in a valid will, with notice to WMFN, noting that only WMFN Members may enter into agreements within this program.
- 7.10 If the Mortgage Agreement and Ministerial Loan Guarantee are transferred or otherwise disposed of to another WMFN Member, the MLG Agreement and Homeowners Agreement between the Homeowner and WMFN must

also be transferred, or the new Homeowner must enter into new agreements with WMFN.

- 7.11 If Section 7.10 does not apply and instead the Homeowner's estate terminates or abandons the Mortgage Agreement and Ministerial Loan Guarantee, the Residential Unit reverts back to WMFN.
- 7.12 If a Residential Unit reverts back to WMFN, the Homeowner's non-WMFN Member surviving Spouse (if any), may be offered a tenancy agreement if they meet the following minimum criteria:
- a) The Non-Member is an Elder;
  - b) The Non-Member has lived on WMFN Lands for at least 10 years; and
  - c) The Non-Member has a history of good tenancy/residency on WMFN Lands.

For clarity, the tenancy with the Non-WMFN Member shall be deemed a Nation Owned Rental, and the non-WMFN Member is not a Homeowner, or eligible to become a Homeowner. Upon eviction, vacating the Residential Unit or death of the non-WMFN Member surviving Spouse, Council may allocate the Residential Unit as a Nation-Owned Rental taking into account the best interests of any Dependent WMFN Children who currently reside in the Residential Unit.

- 7.13 If a Residential Unit reverts back to WMFN and Section 7.12 does not apply, the Residential Unit will be used thereafter as a Nation Owned Rental (see 18.9). In allocating the Residential Unit as a rental, Council may take into account the best interests of any Dependent WMFN Children who currently reside in the Residential Unit.

## **8 CONSTRUCTION**

- 8.1 Construction of Residential Units on WMFN Lands financed through this program will be at the discretion of Council.
- 8.2 Where Council directs that new Residential Units shall be constructed with financing through this program, the Homeowner has the primary responsibility for construction. Construction must occur under the oversight of the Capital Projects Department, working with the Housing Department according to the rules outlined in this policy.
- 8.3 Construction must be managed by a certified project manager (as applicable), and a certified building contractor.

- 8.4 WMFN shall work with the prospective Homeowner to identify unit location, design, and build. Initial scope of work and any change orders must be authorized in writing by WMFN.
- 8.5 The Lot location shall be determined by WMFN, in accordance with the following restrictions:
- a) New Residential Units will be constructed only in areas designated for residential use within existing subdivision plans, the Community Development Plan, or any exceptions approved by a BCR.
  - b) To the extent possible, Residential Units will be located to take maximum advantage of existing infrastructure such as sewer and water, access roads, and electrical service.
  - c) Selection of a location will take into consideration soil conditions and impacts, water management needs (surface and subsurface), site elevation and impacts on existing infrastructure, future WMFN housing development, and any other relevant factors.
- 8.6 Prior to construction:
- a) All necessary financing must be in place including MLG
  - b) An MLG Agreement must be signed by the WMFN Member and WMFN
  - c) A specification sheet must be completed and signed by WMFN, contractor, and Homeowner, to include:
    - i House plans that comply with the WMFN Building Standards
    - ii Lot plan for allocated Lot.
- 8.7 Construction must occur in accordance with WMFN Building Standards
- 8.8 WMFN will enter a New Construction Agreement with the WMFN Member prior to the start of construction.
